ABOUT ME

Welcome to my 3D world!

- As a passionate 3D designer, I've had the privilege of bringing imaginative concepts to life in the digital realm.
- My journey in the world of 3D design has been a fascinating exploration of creativity, technology, and the pursuit of visual excellence.

CAREER OVERVIEW

- Front-end developers are responsible for creating the user interface and user experience of websites and web applications.
- They focus on the visual and **interactive aspects of a website** that users directly interact with.
- 3D designers create three-dimensional models and graphics for a variety of applications, including video **games, animation, architecture, product design**, and more.
- They work with 3D modeling and rendering software to bring ideas and concepts to life in a virtual space.

EDUCATION

- **B.SC Cs** : Government Arts College , Udumalpet| 2021-2024 CGPA : 85% (Upto 4th Sem)
- **HSLC** : Government Higher Secondary School , Alangiam | 2021 CGPA : 74%
- **SSLC** : Government Higher Secondary School , Perichipalayam | 2018 CGPA : 67%

CERTIFICATION

- Completed Certification in **Python** through **Pantech Solution**.
- Completed **Full Stack Development** workshop conducted by **NoviTech**.
- Completed Certification in **HTML** through **Mindluster**.

SKILLS AND TOOLS

- Proficiency in **HTML, CSS, and JavaScript**. (Designing tools **Figma** and **Adobe illustrator**)
- Understanding of responsive design principles.Familiarity with version control systems like **Git**.
- Proficiency in 3D modeling software such as **Blender**.
- Strong understanding of 3D rendering techniques.
- Artistic and creative skills for designing visually appealing 3D content. **Problem-solving** and **attention to detail**.

PROJECT

HOSPITAL MANAGEMENT

- Designed and implemented a Hospital Management System.
- utilizing **HTML, CSS, and JavaScript** for the front-end, and **SQL** for back-end database management, enhancing operational efficiency and patient care.

LANGUAGE KNOWN

Native : Tamil
conversational : English
Basic : Hindi,Malayalam
